Vol 12 - 5th Issue ~~~~~~~~~~ Aug 15-1952

SERVICEMAN'S CORNER:

MUSTERING OUT PAY FORMS NOW AVAILABLE: Application forms for mustering out pay provided by the new GI Bill to Korea veterans with service on or ofater June 27, 1950, have been prepared by the Veterans Service Office of San Mateo County and are now available at that office---517 Marshall Street, in Redwood City--directly in back of the courthouse.

Floyd D. Granger, service officer, emphasized that the application form, approved by the Defense Department, must be accompanied by the veteran's original Report of Separation, Form DD214; Korea servivemen who have lost their original separation documents should apply to the branch of service for certified copies or "in lieu" certificates, he added. Granger said the new mustering out payments fall into the following classes; $300 for veterans who served at least 60 days and had duty outside the continental limits of the U.S. or in Alaska; $200 for ex-servicemen who served at least 60 days but did not serve outside the continental U.S. or in Alaska; and $100 for persons who were in service for less than 60 days.

Not all Korea veterans are eligible for mustering out pay, however Granger said the act excludes persons called for duty for less than 60 days solely for training duty or physical examination; officers of the rank of major or lieutenant commander and above; servicemen transferred or returned to retired lists with retired pay; those with no overseas service who were discharged to take civilian jobs; and those whose only service was at a civilian school or in an armed service school or academy. Survivors of qualified veterans who died after release from service are eligible for the veteran's mustering out pay in this order: widow or widower, child of children (in equal shares), parent or parents (in equal shares).

THERE YOU ARE, FELLOWS: Hope this will help in your plans for the future. As one of the last acts of good-will that the Byline can do for you--(we only have five more issues after this one; unless a miracle happens)--we hope that the above news about mustering out pay cheers you up--specially youse guys over there in Korea, Japan, Germany, Austria, etc. And now for some news from here and there, about him, them, and YOU:--Tony Murillo was not named in the list of casualties aboard the exploding U.S.S.Boxer last week. That's GOOD news, isn't it? Eddie Roland left here on Monday of this week to resume his duties with the U.S.Army. The Airforce's Bob Mink is still home on leave, as is Navymen Jeff Shackleford; Jim Crawford; and Eugene Gregerson (we saw him driving dreamily up Visitacion Avenue in a cream-colored dreamboat on Wednesday morning of this week); and the Marine Corp's Eddie Baron, who goes back to Camp Pendleton on August 21st. Inkadinkly; Eddie celebrated (?) his 21st birthday on Monday, August 18th--came into our office chortling "Today, I yam a MAN!" He also promised to replace the rough-looking picture of himself on our office door.(taken while he was in Korea; whiskers and all!) He says the BIG DAY when he resumes life as a lowly civilian is slowly approaching--being November 28th of THIS year! Got a letter from Bob (ROWBOAT) Owens--now stationed at Savannah, Georgia. Says he expects overseas duty soon, and asks for addresses of fellows overseas. WHICH fellas, Rowboat? Some of them are in Korea--some in Japan--some in Europe--some on the Islands. Just let us know YOUR overseas address, IF you go while the Byline is still publishing--and we'll print it, too so THEY can get in touch with you! Afterwards, I'll still have the "little black book" with all youse guys in it--so just write me, and I'll send 'em on to you. Okay? Hokay! Hey, if you guys want in the Brisbane directory--write me, before Sept. 15th. 'Byeee! YE EDITOR

P.S. YOU HAVE TO BE OVER 21 TO GET IN THE BRISBANE DIRECTORY. SORRY!

WANTED: A LOT NOT TOO SMALL OR HILLY. FOR CASH. WRITE RT 1-BOX5852 SACRAMENTO, CALIFORNIA.

RETRACTION: In our last issue of the BYLINE weekly, we printed an item on the "LATE NEWS FLASHES" page regarding a local lady who was losing her dogs, one by one, through sickness supposedly caused by a tenant who brought home a six weeks old pup, which died of distemper. IT HAS SINCE COME TO OUR ATTENTION that the above statement can be proved to be false, and as the Editor of this paper, I hereby submit a full retraction to that portion of the item, and regret that the facts were not more fully investigated before printing.--THE EDITOR.

* * * * * * * * * * * * * * * * * * * *

----EDITORIAL----

Also in regards to the above item; your editor has received numerous telephone calls, anonymous and otherwise, threatening suits and retaliations for printing said item. Presumably, the calls came from former NEIGHBORS of the lady with the dogs---and for some strange reason your editor can't seem to find the word NEIGHBORS mentioned anywhere in the item. It is beyond us why these people thought it necessary to call and threaten and try to coerce your editor, when we did not even know there was any NEIGHBOR trouble going on! We know it NOW, believe us! The tenant mentioned in the item was kind enough to call on us in person; the question was discussed, and the matter was settled between us amicably; BUT---where did the NEIGHBORS come in on the item? We do know that we feel more strongly than ever that the BYLINE should go out of business, because after almost three years of trying to do GOOD in this community, our reward seems to be threats and coercian and foul language because we DARED to feel sorry for someone in our community. We have felt sorry for people before---and we will probably feel sorry for people again--but if we are to receive anonymous phone calls everytime we feel sorry in print---we feel it is high time the BYLINE calls it quits! It is too bad that we have to close our doors on such a sour note--but such seems to be the case. We will probably go on until Vol. 12; 10th issue--closing 12 full books of this--our little bit for the community!---YOUR EDITOR.

POLITICAL:

TAGGART COMMENDED:--(Aug. 7,1952) Commendation of Harold F. Taggart Democratic candidate for Congress from San Mateo County, for his work at the state convention in Sacramento was voted unanimously and enthusiastically by the San Mateo County Democratic Central Committee at their monthly meeting last night in the Burlingame City Hall.

Particularly noted in the praise was Taggart's drawing up and presenting resolutions for a national presidential primary, the southern Bay Bridge crossing and the Pillar Point Breakwater.

Frank W. Rose, county chairman, reported on activities at both the national and state conventions. Rose stated, "In Chicago, the demonstration for Stevenson was genuine and reflected our admiration and respect for the humility and intelligence of our presidential nominee. In Sacramento, the sameatmosphere of unity finally prevailed and resulted in the election of outstanding state officers."

Leo Englert, chairman of the by-laws committee, read the proposed new by-laws. Formal adoption was set for the next meeting which will be held on Wednesday, Sept. 3, in the same place.

Included in the proposals was a new rule to seek the cooperation of independent Democratic organizations here and to have them work closely with the county committee. This would grant official and formal approval to groups bearing Democratic party titles and acting to further regular Democratic party campaigns.

District leaders who reported progress in obtaining precinct workers were Emmett I. Campion, Bill Penaluna, Mrs. Harry Feldscher, Al Holgerson, and Ed Hevey. A move to coordinate the campaigns of Taggart and the national nominees, Governor Stevenson and Senator Sparkman was announced and will be planned in greater detail in the next two weeks.---from S.M.CO. DEMO. CENTRAL COMMITTEE; San Mateo, California

The fishing contest has received nation-wide attention in previous years. 20,000 spectators watched last year as 1623 fishermen brought in 2,606 sharks. An all day program featured many picturesque and thrilling events, including the appearance of King Neptune, the crowining of the Shark Derby Queen, and water skiing exhibitions.

REPORT FROM The P.T.A.

by DOROTHY RADOFF,
Brisbane PTA publicity

The progress of Brisbane is best illustrated by the progress of it's school. The children first went to the Bayshore School for their schooling. In 1929 the parents agreed it was too long of a distance for the pupils, most of whom walked to and fro. Offering facilities was Joe Mozzetti, so the first classroom in the town was held in the basement of his home, now surrounded by the Brisbane Auto Court. Sixteen children attended with Miss Claire Bouret as instructress. Lessons were taught there for a year.

In 1930 the school board rented a house on Alvarado Street, situated next door to the present Catholic Church. For a period, six grades were taught in one large room which was kept warm in winter by an ancient pot-bellied stove. Student enrollment was sixty.

Eventually a partition was constructed, dividing the school into two classrooms. Miss Bouret and Miss Natalie Lipman each taught three grades. Later, because of the student increase, a small house in the rear of the school was rented and another teacher employed.

The present Elementary School was built in 1935, consisting of 4 rooms and an auditorium. On the faculty were four teachers, each of whom taught two grades. Miss Natalie Lipman served as principal. The school continued to grow and through the years classrooms were added to the structure and the playroom enclosed. There are now 473 students and 18 teachers. Present principal is Miss Lois Barry and Miss Lipman is superintendent of Bayshore and Brisbane schools.

Brisbane is proud of it's schol and it's many achievements, including an A-1 cafeteria where 200 children are served daily, a band of 34 boys and girls, glee club, art and craft classes, the Bank of Ameri- award for California, folk dancing instruction, and the fact that o.. a period of years the school ranks right up at the top in the teaching of the three R's. (EDITOR'S NOTE: and the BYLINE is proud that it is in a position to print such a history of progress here in Brisbane. What a pity it is that more of us do not count our blessings and our improvements; instead of muttering about the little unimportant things which beset us in our steady climb upward!)

P.T.A. BUDGET PLANNED: The planning of the Brisbane P.T.A.'s budget for the coming term highlighted a recent budget and finance meeting held at the home of Mrs. L. W. Holmberg. A discussion of possible money raising events also took place. Attending the meeting were Mrs. DeWayne Bennett, financial secretary; Mrs. William Galten, budget and finance chairman; Mrs. Frank Hughes, secretary; and Mrs. Milton Jensen, president.---by DOROTHY RADOFF, Brisbane P.T.A. publicity.

Only six weeks remain for those persons not registered or those not properly registered; to register and become eligible to vote at the Nov. 4th general election. County Clerk John Bruning announces that Sept. 11th will close registration. (By our count, this leaves only FOUR weeks in which to register!) If you were registered at the same address at which you now reside, your name will appear on the records in your precinct. If you are in doubt at all--check with the election registration board at the County Courthouse---or see LESTER E. BYBEE or HELEN CHESLYN, local Registrars.
